Commonwealth Healthcare Corporation (CHCC)

TOGETHER, WE ARE WORKING
TOWARD A HEALTHIER COMMUNITY

About the CHCC

CHCC is an 86 bed hospital with four outpatient clinics (Adult Medicine, Pediatrics, Women's Health, Behavioral Health). We currently have 530 nurses and ancillary staff and 83 Physicians, Physician Assistants/Nurse Practitioners. CHCC is the sole hospital for the Northern Mariana Islands and provides care to the neighboring islands of Tinian and Rota. We have limited resources given our remote location however, our specialists have grown tremendously over the years. We currently offer the following services - nephrology, orthopedist, cardiology, oncology, psychiatry, ENT.

Why should I work at the Commonwealth Healthcare Corporation?

This is a unique place to work and although island living is not for everyone, if making a difference is important to you, then this may be a great fit. The patients here are kind and appreciative. The work environment is a friendly, supportive, non-corporate type with a low burn out rate. The pathology on the island is fascinating.
