Restaurant patrons should look for posted certification of compliance with level yellow requirements. Valid certificates of compliance are signed by BEH inspectors and include the restaurant's sanitation permit number for reference. If you believe a restaurant is operating out of compliance with the rules, you may contact 664-4677 to alert regulators. The BEH may order an establishment to close if it is found to be non-compliant.

For more information, please contact the BEH at (670) 664-4870/72/73,
or email the Director of the BEH, John Tagabuel, at john.tagabuel@dph.gov.mp.
